

Independent Study Form

Student Name: _____ Grade: _____

Proposed Name of Course: _____

Teacher: _____ Period: _____ Semester: _____

An independent study is designed to provide students an opportunity to pursue study in enrichment areas independently, while under the supervision of a faculty member. It is taken simultaneously with the typical course load per semester. Students should be aware that the independent study will be awarded as elective credit. Total Course load, including independent study, may not exceed eight credits for the year. Grades for independent study will not be included in determining class rank. For one semester of independent study the student will earn 0.50 credit. For a full year independent study, the student will earn 1.00 credit.
